

EMERGENCY SERVICES INDUSTRY

First responders depend on their equipment to keep them safe. With **The INTEGRA Program®**, we use **"Just the Right Chemistry®"** to protect you and your equipment.

CARE & CLEANING OF TURNOUT GEAR

With frequent exposure to chemicals, smoke biological toxins and other contaminants, the proper care and maintenance of turnout gear is essential.

The **INTEGRA Program®** focuses on 2 key elements:

1. Keeping gear clean and operating at its optimum level.
2. Keeping you and your family safe by removing potential carcinogens and biological contamination.

THE CORE PROGRAM IS BUILT ON TWO PRODUCTS

TURNOUT... Ultra Concentrated Detergent

A concentrated detergent specifically designed to meet the NFPA 1851 7.3.7 criteria. **TURNOUT** is safe on protective apparel and general laundry. **PYL103562 2/1G Inverted**

LAUNDRY GUARD... Laundry Sanitizer

EPA Reg. No. 7048-15-150 EPA Est. No. 150-MN-1
Reduces bacteria counts by 99.9%, kills HIV-1, MRSA, and helps eliminate blood-borne pathogens and sanitizes protective gear. **PLY103049 2/1G Inverted**

Please check your gear manufacturer for any specific laundering instructions.

Proper care and maintenance of other equipment and your facility is important to keep the team safe and equipment operating properly.

FACILITY CLEANING

BRILLIANT... Glass & Multi-Surface Cleaner

Streak-free cleaning across a variety of hard surfaces.

NATURAL... Neutral All Purpose Cleaner

Neutral pH cleaner and degreaser that is a safe alternative to harsh products.

DEFEND... Quaternary Cleaner & Disinfectant, EPA REG. No. 1839-95-150

Cleaner, disinfectant and virucide. Designed to provide effective cleaning and disinfection when used as directed.

PRISTINE... Acidic Restroom Cleaner

Designed as an acidic bathroom cleaner designed to remove soils, hard water deposits, soap scum and stains from on walls, tubs, toilets, sinks and all hard surfaces. Can be used on Formica, chrome, metal, stone, plastic, fiberglass and more.

STELLAR... Neutral Floor & Multi Surface Cleaner

A blend of surfactants and water conditioners that are effective on both breaking up soils and keeping them in suspension so they don't resettle on the floor.

SAFE WASH... Foaming Vehicle Wash

A high foam vehicle cleaning detergent used in automatic brush wash equipment, foamy brushes or hand applied vehicle cleaner. Aluminum safe and quickly penetrates tough soils.

FOODSERVICE

PRISM... Pot & Pan Detergent

A pot & pan detergent designed to cut through tough greasy soils while being mild on skin.

BARRIER II... No Rinse Broad Range Sanitizer (3 Compartment Sink)

EPA REG. NO. 1839-86-150

No-rinse quaternary sanitizer which can be safely used on surfaces and is approved as a final sanitizing rinse or food contact surfaces. Designed to provide effective sanitizing or disinfecting when used as directed.

DEFY... Heavy-Duty Cleaner Degreaser

Designed to be used as a heavy-duty degreaser on walls, food prep areas, hoods, tubs, sinks and all hard surfaces. Can be used as a general cleaner in other applications on stainless steel, Formica, metal, plastic, fiberglass and more. As a floor cleaner, DEFY breakdowns greasy soils and holds them in suspension so soils do not redeposit on the floors.

***DEFEND** and **BARRIER II** have demonstrated effectiveness against viruses similar to SARS-CoV-2. This product can be used against SARS-CoV-2 (COVID-19) when used in accordance with the directions on hard, non-porous surfaces. See "**The INTEGRA Program**" website www.theintegraprogram.com for additional information on directions, applications and efficacy against **COVID19**.
