

Keep Your Laundromat Clean

What can I do during the COVID-19 pandemic to protect my business?

Now more than ever facilities need to make sure they are taking steps to provide a safe laundry experience for customers. We can help you create a cleaning program that helps create a clean safe environment.

Having a clean facility is always a solid business decision but with Covid 19 certain areas of your facility deserve special attention. Hard Surface cleaning and disinfection have strict requirements from the CDC to help keep a safe facility. Disinfection products that meet the EPA guidelines against Human Corona viruses, sars-CoV-2, the cause of Covid 19 are the best practices.

High Touch Areas That Need Attention

Door handles, touch screens chairs, carts, change machines, washers, dryers, folding tables, floors, bathrooms.

These INTEGRA program products are included on the EPA's "List N" which includes products that meets EPA's criteria for use against SARS-CoV-2, the cause of COVID-19.
