

# LAUNDRY CARE

It doesn't matter where you are or what operating conditions you must endure, you fight a daily battle with difficult soils and almost impossible stains. Yes, many factors in your laundry operation are beyond your control, and you've got to live with them, but not all of them. In real life, you need a knowledgeable laundry partner to back you up, and a laundry system that will let you do your job with complete confidence. With **The INTEGRA Program®** you have "Just The Right Chemistry".

## LAUNDRY CLEANING & SANITIZING

INTEGRA® Laundry Systems Featuring...

### DAZZLE Detergent & Odor Eliminator

**DAZZLE** is designed for use in all water and soil conditions. Designed to remove odors and tough stains from all fabrics. Flexible enough to be used on its own in homestyle machines or larger OPL machines.  
**PYL103085 2/1 Gal Inverted**

### LAUNDRY GUARD Laundry Sanitizer/ Residual Bacteriostatic

**LAUNDRY GUARD** is a highly concentrated fabric sanitizer designed for home style machines and commercial machines. Used in the final rinse, **LAUNDRY GUARD** leaves behind a finish that is a bacteriostatic. Under conditions of contamination, **LAUNDRY GUARD** continually eliminates 99.9% of infectious bacteria.  
**PYL103049 2/1 Gal Inverted**

## SR SYSTEM SPOTTING AND STAIN REMOVAL

Effective stain removal must be part of every laundry program. Stained linen can shorten linen life. The **SR SYSTEM** provides laundry operations an effective way to fight stains and keep linen in service and removes even the toughest stains without damaging fabric. Using the correct spotters can save time and energy, labor and linen replacement cost.

### SR 1

#### Solvent Broad Range Spotter

Removes a wide range of stains including medicinal stains, foods, and greasy soils. Able to remove difficult stains without harming cotton and synthetic fibers.

**PYL103577 2x1G Inverted**  
**PYL105587 4/1G Handled**

### SR 2

#### Emulsifying Greasy Stain Spotter

Removes a wide range of stains including foods and greasy soils. Able to remove difficult stains without harming cotton and synthetic fibers.

**PYL103579 2x1G Inverted**  
**PYL105589 4/1G Handled**

### SR 3

#### Enzymatic Broad Range Spotter

Formulated with a blend of protease and amylase enzymes to actively destroy protein stains and starches, which attract and hold stains. Targets organic stains.

**PYL103581 2x1G Inverted**  
**PYL105591 4/1G Handled**

### SR ENZYME

#### Laundry Enzyme Treatment

Concentrated enzymes aid in the removal of stubborn grass and dirt stains. Begins the break down of stains before laundering and makes it easy to remove organic stains, grease and stubborn soils from all types of fabric.

**PYL101705 6x1.9# Case**

### SR IRON

#### Laundry Iron Treatment

Water containing dissolved iron causes yellowing of laundry and unsightly rust stains. A highly effective iron stain remover, it removes iron stains and restores the whiteness to stained laundry. Use for all your tough iron stains.

**PYL101710 6x1.9# Case**

### SR RECLAIM

#### Laundry Reclaim Treatment

A powder designed to restore white linen that has been discolored by soils and stains. Leaves fabric clean and bright. Use on your toughest stains.

**PYL101715 6x1.9# Case**

## POWER / ADDITIVE

### SCRUB TECH

#### Premium Laundry Detergent

A powdered detergent that safely removes stains and whitens linen. Soil suspending and water conditioning agents prevent graying of fabrics. Contains a powerful combination of enzymes, oxygen bleach, and detergent that powers out tough stains. Can also be used as a heavy soil laundry additive.
